## High School Teachers, Board Reach Agreement

Antioch High School teachers returned to their jobs on Tuesday, terminating a week-old strike.

The teachers and the board of education reached agreement on a new one-year contract at noon Monday after the teachers had walked out eight days ago.

The agreement marked the end of a strike which saw student sympathizers leave their classrooms on Wednesday and the arrest of three students charged with making bomb scare threats.

Bill Gordon, field representative of the Illinois Education Association said that the teachers agreed to ratify the last amended board proposal "even though it is not what we expected, but it is a partial victory."

The settlement did away with the salary index, which was the point that drove teachers into the streets and out of the classrooms a week ago.

Gordon said the teachers felt they had no choice but to accept the present agreement due to "a completely adamant and unyield-

ing board of education."

Teachers, however, gained salary hikes above the original offer, even though the index was eliminated.

The settlement calls for a beginning teacher to receive a salary of \$7,700. A holder of a master's degree with 75 hours credit will earn \$14,185; and a master's with 30 hours credit will earn \$14,830. The previous offer in those three categories were \$7,600; \$13,900 and \$14,700.

Gordon said the board accepted a grievance procedure and agreed to advisory arbitration.

Both sides agreed to an amnesty clause which assured "no retribution by either the association or the board for strike action."

The teachers voted to accept the package last Sunday even though IEA representatives met with the board's negotiator on Monday to work out the details.

The vote to settle the contract on the new terms proposed by the board was 40 to 27.

Bomb threats, which marred the strike, were solved last Friday with the arrest of three juveniles, all students of Antioch High School.

They were charged with making four telephone threats to the school.

The juveniles were charged with disorderly conduct, according to Antioch Police Chief Jack Davis and taken to the Lake County Youth Home.

In cooperation with the Illinois Bell Telephone Company, Davis said, a monitor was placed on the high school telephone after the first threat came in Wednesday morning.

The calls were traced through the monitor system when more

Telephone company cable splicers work diligently to restore telephone service for 300 subscribers in the Lindenhurst area who lost power last week when the cable was cut by a sewer contractor at Fairfield and Hawthorn Roads. They include, front row from left, George Nelson and Steve Henning of Antioch, and back row, Frank Walenter of North Chicago and James Doering of Twin Lakes, Wis.

## Myrtle M. Barnstable Dies Of Heart Attack

Mrs. Myrtle M. Barnstable, 63, of 1060 Bishop St., wife of Russell E. Barnstable, owner and operator of Barnstable's Department Store in Antioch, died in her home Saturday of a heart attack.

Mrs. Barnstable, who lived in Antioch all of her life, married her husband on June 17, 1937 at Des Plaines.

Surviving, besides her husband is a son, James R. of Delavan, Wis., a daughter, Miss Roselle Barnstable, of Antioch, four sis-

ters, Mrs. Helen (Charles) Halting, Mrs. Opal (Ellis) Story, Mrs. Virginia (Raymond) Gruidl, and Mrs. Mabel (Neal) Carney, all of Antioch.

Services were held at the Strang Funeral Home in Antioch at 1:30 p.m. Tuesday with the Rev. Donald Cobb of the United Methodist Church in Antioch officiating.

Burial was in Hillside Cemetery in Antioch.

## Poster Contest Is Open

The Antioch Chamber of Commerce is again sponsoring their annual poster contest for the area's 6th, 7th and 8th grades.

However, this year's theme will not be Halloween but Pollution.

The use of any type of art material is acceptable, for the children are encouraged to be as individual and creative as their imaginations allow.

The only rule of limitation is that they must not receive any outside help!

Completed posters will be picked up on Thursday morning, Oct. 29, at the Grade Schools.

All posters must be submitted

## Enrollment Survey Is Planned Here

A survey of school enrollment at all levels from nursery school through college will be conducted in this area by interviewers of the Bureau of the Census during the week of Oct. 19, according to Curtis T. Hill, Director of the Bureau's regional office in Chicago.

Local interviewing will be part of a nationwide effort made annually to measure the Nation's school and college population.

A similar survey in October 1969 showed total enrollment to be 59.9 million persons — 33.8 million in elementary school, 14.6 million in secondary school, 3.3 million in kindergarten, 860,000 in nursery school, and 7.4 million in college.

The survey will be made along with the monthly national survey of employment and unemployment for the Bureau of Labor Statistics of the U.S. Department of Labor which furnishes as basic measure of national economic health.

Information collected in Census Bureau surveys can be used only to determine statistical totals, and facts about each person and family are kept confidential by law.

## United Fund Drive Striving For Goal

With only two weeks remaining before the final report luncheon of the United Fund of North Lake County 1970 campaign, it was reported today (10/6) that 23% of the 1970 goal had been reached.

Dr. Ralph F. Anderson reported today that \$175,600 in pledges and funds had been raised so far toward a total of \$767,452.

Dr. Anderson heard reports from nine United Fund soliciting divisions at a luncheon meeting at the Holiday Inn, Gurnee. Forty one volunteers and workers were in attendance.

Leading the Division reports was Dr. Charles S. Brown, Executive Vice President of Abbott Laboratories, who reported collections of \$14,200 toward a goal of \$408,753. This figure represents 3.5% of Dr. Brown's total goal.

Reporting for Public Employees, Federal and Small Business Groups, Mr. Richard Schwartz, a Waukegan business man, announced that 25,000 or 18% of goal was raised toward a total of \$142,230.

The final report of the meeting came from Mr. Harold Callahan, President of North Shore Printers who, on behalf of Mr. Richard

Kennedy, reported 55% of goal reached at this time. This represents \$136,400, toward a \$242,322 total goal.

Toward the conclusion of the meeting, Dr. Anderson, Division

## Grass Lake PTA Dinner October 19

"Have Food—Will Eat" is the theme set for Grass Lake PTA annual pot luck dinner on Monday, Oct. 19, at 6:45 p.m.

In keeping with PTA object of promoting welfare of children in home, school and community, the program will consist of a message from Mrs. Lorraine Cerk, the Character and Spiritual Education chairman.

A question and answer period by Mrs. Irene Fitch, Luncheon supervisor, and a presentation of the Cub Scout program by C. J. Miller, who is the North-west District Cub Scout representative.

## Restaurant Owner Dies

Philip E. Tighe, 59, of 67 Esther, Antioch, owner of Phil's Restaurant in Antioch since 1965, died Thursday, Oct. 8, in Victory Memorial Hospital.

Mr. Tighe was born in International Falls, Minn., and has been in Antioch since 1965, although he spent summers here since 1961. He had been a chef all of his adult life, and a veteran of World War II.

He is survived by his widow, Violet; a daughter, Mrs. Marcia Donner of Antioch, a sister, Mrs. Lucille Codling, of Chicago, a brother, Tony, of Chicago, and one granddaughter.

Burial was in Mt. Carmel Cemetery in Antioch, following services last Monday at the Strang Funeral Home, Antioch, with the Rev. Alfred Henderson officiating.

## Gilday, McDowell Win Awards In Art Show

The Libertyville Arts Club opened their 17th annual purchase awards show at quaint old Adler House in Libertyville Sunday.

Acting as judges were: Edward Letwenko, art director for United Card Co., and Larry Sampson,

art director for the National Text Books.

Wayne Atkinson's "End of an Era" won the Marge Ruud award.

Claire Gilday's "Exodus" won the first award in the oil paintings.

Ellen McDowell's "City Night" won the first award in watercolors.

Eleanor Wilkins' acrylic collage "Mohawk River Valley" won the first award in acrylics, and Jim Slocum's "Sandpipers" won the first award in sculpture.

The show, an exceptionally fine one with 130 works of art, is open to the public and will run through Sunday, Nov. 8.

The gallery hours at Adler House are from 1:00 p.m. to 5:00 p.m. each Thursday, Saturday and Sunday.

The club is looking forward to the Oct. 19 meeting when Aileen Berg will give a watercolor demonstration.

Anyone interested in seeing the talented Mrs. Berg in action may join the club for the evening at 7:30 p.m. at Adler House, Milwaukee Ave., in Libertyville.

Claire Gilday, left, and Ellen McDowell, both of Antioch, were awarded firsts in oils and watercolors, respectively, in a recent art show.

## Eastern Star Post To Pauli

The Grand Chapter of the Order of the Eastern Star of Illinois held its 96th Annual Session at Medinah Temple in Chicago on October 6 and 7.

Voting delegates attending from

Antioch Chapter were Herb Pauli, Carrie Pauli, Marilyn Lorentz, and Lillian Gaa. Other members in attendance were Jeanne Burns, Sophie Schabow and George Schabow.

Antioch chapter is pleased to announce its honor of having Herbert A. Pauli being elected and installed to the office of Associate Grand Patron of Illinois.

He has served Antioch Chapter as Worthy Patron in 1963 and 1967 and has been active on many Grand Chapter committees. He is a member of Sequoit Lodge A.F. & A.M. where he served as Worshipful Master in 1966.

With this election he will be representing the Grand Chapter in his travels throughout the state for the next two years.

A reception will be held in his honor by Antioch Chapter on Nov. 13.

## Zoning Is Denied

The Lake County Board of Supervisors Tuesday denied a rezoning petition of Guy Viti of 16,000 square feet on the south side of Grass Lake Road, 750 feet west of Bluff Lake Road.

Viti has petitioned for a change of zoning from suburban estates to community business to construct a building to be used for the operation of an electrical sales and repair shop.

## Candidate Night Set For Co. Democrats

A Meet-Your-Candidates Night will be held Wednesday, Oct. 21, at the Ingleside Town Hall in Ingleside. Scheduled to begin at 7:30 p.m., the event is sponsored by the Grant Township Democratic Women's Club. The public is cordially invited.

Candidates expected to appear are the following: State Representatives John S. Matijevich (D-31st) and Daniel M. Pierce (D-32nd) Congressional candidate James J. Cone, and State Senatorial Candidates Ronald A. Orner (32nd) and Jeffrey R. Diver (31st).

County Clerk candidate Grace Mary Stern (presently Assistant

Supervisor of Deerfield Township), County Treasurer candidate Ray Biondi and Sheriff candidate Marion G. "Red" Faber will also be on hand.

Also expected are the Democratic Party's judicial candidates. Sandwiches and refreshments will be served. There will be no charge.

Suzanne (Mrs. George) Kennedy, of 50 Rushmore, Fox Lake, is President of the Grant Township Democratic Women's Club. "We have also extended invitations," Mrs. Kennedy said, "not only to our Party's statewide candidates, including Adlai Steven-

## 'My Three Angels' Is PM&L Offering

Sam and Bella Spewack who have written such notable stage hits such as "Boy Meets Girl", "Two Blind Mice", and the musical "Kiss Me Kate," are the authors of the Broadway comedy hit "My Three Angels" which is to be the next PM&L production at the PM&L Theatre, 977 Main St. Antioch, beginning Saturday, Nov. 7, and running for two more weekends, Nov. 13, 14, 20, and 21.

Dr. Al Bucar from Antioch, Duane Wolfe from Zion, and Ron Koules from Round Lake Beach play the leading roles.

"My Three Angels" is the tale of a chivalrous trio of convicts in a French Guiana penal colony, who have been assigned to work in the home of an amiably im-

practical shopkeeper and, finding that their host and his daughter are about to be victimized by a pair of unpunished scoundrels, proceed to see that rough justice is done.

The Spewacks have created in their angelic trio a set of benevolent rogues whose counterparts are to be found in the folk fables of the world. All three have sunny natures, warm hearts, clever hands, sleepless brains and rich inventiveness when challenged by the self-righteous and the unjust.

Gerald Petra from Round Lake will play the role of the trusting shop keeper, Fran Walpole from Antioch will play his wife, and

## You Can Help To Stop Pollution

Illinois waterways are slowly, agonizingly dying.

Pollution has killed wildlife, closed our beaches, and even threatened our drinking water.

On November 3, you can act to stop the brutal murder of the state's lakes and streams.

You can vote YES for the anti-pollution bond issue.

The greatest cause of Illinois water pollution is inadequate sewage treatment.

Passage of the \$750 million bond issue will make funds available to eliminate this problem over the next decade by improving municipal and sanitary district sewage treatment facilities.

State water authorities say Illinois needs sewage treatment improvements cost \$2.2 billion over the next 10 years—improvements that must be made to comply with water quality standards established under federal law.

Under the bond issue, the state will pay 25 per cent of the cost of these local projects.

And, this will open the way for an increase in federal grants from 30 per cent to 50 or 55 per cent.

Even with a federal grant a municipality or sanitary district is now forced to pay at least 70 per cent of the cost.

The bond issue can decrease that to as low as 20 per cent of the expenditure.

There will be no new or increased property taxes required by the bond issue. Bonds will be repaid from the state's general revenues.

If the bond issue is defeated, the projects still must be undertaken to meet water quality standards.

And, they will have to be financed almost entirely from local property taxes—taxes that are already too high.

Any delay will be costly. Construction costs are rising at the rate of one per cent per month.

Legislators agree we cannot count on sufficient annual appropriations every year for a decade.

To get this ten-year job done we must rely on the bond issue.

Environmentalists warn that immediate action must be taken to save our waterways.

We, in this area, have an extra incentive to vote to approve this proposition. Many of us make a living from the waterways.

We do all these things and continue to thrive by passing the anti-pollution bond act.

Vote YES on November 3.

## Your Congressman Reports....

On Sunday, August 16, 1970, the U. S. Navy sank a derelict Liberty ship in international waters off the Florida coast, carrying with it, 12,540 concrete-encased rockets of nerve gas to a depth of 16,000 feet. Under an amendment to the Military Procurement Act, sponsored successfully by Senator Charles Percy of Illinois, such an act may not be repeated.

The nerve gas, produced almost 20 years ago, had begun to escape from its concrete "coffins" and the Army feared that escaping gas would endanger the lives or health of persons who might come in contact with it.

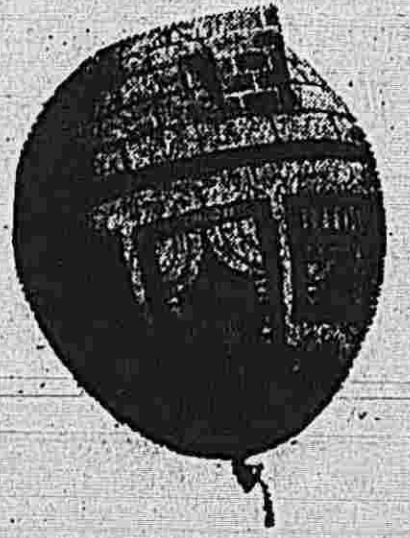

The possibility of detoxifying or otherwise rendering the nerve gas harmless was made impossible by the steel and concrete cases in which it was contained. It was for this reason that the Department of the Army claimed that the only available method for disposing of the nerve gas was to drop it to the bottom of the ocean. It was claimed further that to the extent the nerve gas may escape into the ocean water at 16,000 feet below the surface, it will be harmless to plant and animal life.

This incident provoked interest in securing closer Congressional control of lethal substances produced for chemical and biological warfare. Only transportation and testing of such agents was covered in the law passed last year. The amendment now pending in the House of Representatives will prevent "disposal" of such deadly agents in the ocean, or elsewhere, unless they have been detoxified previously or otherwise made harmless to man and his environment.

The nerve gas in question causes paralysis or continuous contraction of the muscles by which we breathe. Other nations have produced and stockpiled similar deadly weapons.

The Secretary of Defense, Melvin Laird, has given a firm pledge that all such deadly chemical and biological agents will in the future be detoxified and rendered harmless prior to their disposal. But, the new law will apply both to Secretary Laird and his successors. The amendment sponsored by Senator Charles Percy received only one negative vote in the United States Senate. The policy it expresses has been supported overwhelmingly by this nation and has received a favorable response from the rest of the world.

This incident and the amendment

Our good friend Harry Brehen is also a good neighbor at his summer place in Wisconsin. While

ment which it produced are significant in this further respect: in the development and production of lethal weapons of all kinds, it is essential to establish a method for their ultimate disposal in a manner which will not endanger man or do harm to his environment.

In our concern for the peaceful and broadened use of the oceans and seabeds for the potential benefit of all nations it is clearly awkward for the United States to explain this recent action. However, it is heartening that the Congress of the United States is saying—in effect—"Never again!"

there on his vacation a man and his son were in need of help after their car hit a deer and Harry took them to the hospital. These people were lucky to have stopped for help at "Brehen Drive."

You don't have to drive 'way up in Wisconsin to look at Nature's fiery display. Take a drive most anywhere in this neighborhood and feast your eyes on the brilliant colors. Yes, and aren't the lawns beautiful with a velvet green carpet? Of course later the old lawnmower will have to be dragged out and used again, and those beautiful leaves will be falling, falling!!

## Letters to the Editor

To the Editor of the Antioch News:

Dear Sir:

Like most people in our community, I am deeply concerned about the situation in our high school. This past Saturday I became even more concerned when a local businessman expressed to me the sentiment that the "teachers were going to lose; that this was another case like the Cook County Police Association trying to take over in the county, and they deserved to lose." It occurred to me that others in the community might also be laboring under a similar delusion.

The "hired professional negotiators" are those hired by the school board with our tax funds. The Illinois Education Association field representatives who are advising the teachers' association are paid by the I.E.A., not directly by the local teachers. Our high school teachers are members of the I.E.A., as are the great majority of the teachers in Illinois schools—myself included. We pay a yearly dues based on our current salary. Most of us joined I.E.A. the year we began teaching in Illinois and continue to belong just as your doctor does with the A.M.A. and your lawyer with the local and state bar associations. We feel the benefits of belonging to such a professional organization are worth the dues.

These benefits are many and

varied. They include legal aid in cases of tenure and liability. They pay for a lobby in Springfield. (The I.E.A. has worked for many years for the passage of legislation that has benefited YOU ALL—child labor laws, laws affecting the safety and health of our children, laws to equalize the cost of education.) It also hires field representatives whose job, among other things, is to help advise teachers' associations in contract negotiations. The I.E.A. is not a labor union. The teachers are not hiring outside professional negotiators. They are taking advantage of a service available to any teachers' association in Illinois, which is affiliated with the I.E.O. The teachers themselves, through an elected committee, are the main negotiators.

I am not attempting to argue the case of the teachers or the board by this letter. I only want to put straight any misunderstanding about the role of the I.E.A. field representatives and the teachers' use of their services.

He then presented a small cage and a bunch of carrots to Dr. Brown, Mr. Schwartz and Mr. Callahan. Associate Chairmen may return their rabbits be-

son, but also to incumbent office holders such as Lt. Governor Paul Simon. We hope that they will attend, but have no assurance at this time that any of them will be able to do so.

Assisting Mrs. Kennedy in the planning of the rally has been Vicki (Mrs. Neil) Bique, 63 Well Street, Fox Lake, co-chairwoman of the Lake County Democratic Central Committee.

"It's the first time that a Democratic Chairwoman has been selected from our part of the county and I consider it more of an honor to our community than to myself," Mrs. Bique said. "I truly hope that all of our local citizens interested in good government will come and meet our candidates. I want to extend a very special invitation to those citizens who think of themselves as independents and thinking voters. We need a two-party system in our county and I urge our citizens to come and take a look at our candidates and judge for themselves."

The third leading cause of death in the U. S., strokes take almost 200,000 lives each year, outranked only by heart attacks (570,000 deaths annually) and cancer (310,000), according to the Heart Association of Lake County.

## Music Center Recital Is October 16

The first Recital of the Music Center of Lake County 1970-71 season will be performed at Lilac Cottage, Bowen Park, 1917 N. Sheridan Road on Friday, Oct. 16. The performance will begin promptly at 8 p.m.

The artists, both well known Waukegan residents, are professional musicians and piano teachers at the Music Center. They are Jean Mulligan and Gwyn Cantelo.

Two grand pianos recently acquired by the school in the park will be the instruments used for the debut performance of the season. The Recital will begin with music composed for other instruments by Bach, and specially arranged for two pianos.

Beethoven's Concerto Number One in C Major will follow, and music composed for two pianos in the form of three Russian compositions will be presented next. As their finale, the Mrs. Mulligan and Cantelo will play "Cafe Society," a rickety, jicky composition by William Mundy.

David Goodman, director of the school, noting the high caliber of the teachers in the school said, "This concert, one of many free events offered to the public by the non-profit fine arts school, promises to be a wonderful adventure in varied kinds of music." He added that it affords Lake County residents the unique opportunity to experience live performances at no cost.

Refreshments will be served after the 90 minute concert and the audience will have an opportunity to meet the performers.

## Pinto Sales Great

Ford Division's new subcompact, the Pinto, is off to a galloping sales start in Chicago, a Ford dealer poll indicated.

The division's 90 Chicago district dealers sold or took customer orders for more than 530 Pintos during the first two days following the car's introduction Sept. 11. B. L. Crumpton, district manager, reported.

"Based on a 12-hour sales, Pintos were being sold at a rate of one every three minutes during the Friday and Saturday introduction period," he said. "Customers seemed particularly impressed by the car's low sticker price and Pinto's economy and styling features."

Chicago Ford dealers are confident that Pinto will stem import sales, Crumpton added. Survey results, for example, showed that the leading U. S. import was involved in 20 per cent of all trade-ins on Pinto sales and orders during the two-day period. The division's Chicago district includes eight Illinois counties and Porter and Lake counties in Indiana.

Nationally, 2,912 Pintos were delivered during the two-day introductory period and an additional 12,023 were ordered. Sixty per cent of the buyers said they would have purchased a foreign car or one built by American competitors if they hadn't gone Pinto shopping.

Rehabilitation and retraining methods can help restore the stroke patient to useful living.

## Candidate Is Member Of Panel

Grace Mary Stern, candidate for Clerk of Lake County, is participating in a 6-week panel discussion titled "Can the Businessman Afford a Conscience?" conducted at the Highland Park Presbyterian Church. The program, moderated by Rev. Richard Lupke, brings together a panel of members of the congregation—representatives of business and public life to review corporate case histories involving the ethical issues of business—and to discuss the ramifications of each in the light of Christian teachings.

"Modern business—and, for that matter, today's politics—are so complicated that they require constant vigilance and analysis," said Mrs. Stern. "So far, it has been enormously valuable to me to participate in this panel. And I suspect it has been useful to all of us to get together with members of other professions for such intimate ethical discussions. This kind of exchange doesn't happen often enough in today's wildly busy world."

## Ronald Hlavin On Edison Committee

Ronald Hlavin of 314 S. Thornwood Drive, Lindenhurst, is serving as a member of the Civic Campaign Committee of Commonwealth Edison Company.

He has been made a member of a sub-committee which is soliciting contributions from the employees at Edison's Northern Division office, 1000 Skokie Blvd., Northbrook, during the annual Crusade of Mercy campaign. The drive, which began in mid-September and concludes October 16, is being conducted in all the company's divisions.

## Set Week To Honor Our Law Officers

Gov. Richard B. Ogilvie has issued a proclamation designating Oct. 25-31 as Law Officers Appreciation Week in Illinois.

In a joint resolution sponsored by Sen. Ralph T. Smith, Congress authorized Pres. Richard M. Nixon to designate the last week in October for national observance in recognition and appreciation of the courage and dedication of the dedicated law enforcement officers throughout the United States.

Gov. Ogilvie's proclamation urges "all Illinoisans to express their appreciation of these defenders of our lawful rights." The text of the proclamation reads: "A deep and compelling need in our nation is for a better understanding of and appreciation for the courage and dedication of law enforcement officers."

"The law enforcement officer is society's first line of defense against the lawlessness of its criminal element. These dedicated public servants have risked their lives to protect the persons and property of others, to insure domestic peace and to promote compliance with just laws."

"Mutual confidence and cooperation between citizens and law enforcement officers is essential to the preservation of individual rights and a safe and free society."

## Tax Seminar Set By Accountants

The Independent Accountants' Association of Illinois will conduct their annual professional tax seminar on Oct. 22 through 24, 1970 at the Pick Congress Hotel in Chicago.

A comprehensive educational program will be presented to registrants covering the 1969 Reform Act, Wage and Hour Law, Illinois Sales Tax and State Income Tax. All subjects will be covered by Professional speakers, namely, Howard Rumpf of New York, Aaron and Barry Semer, both of Chicago.

The meeting is open to professional tax consultants. For final program and further details, contact Ellen F. Baker, 646 Dixie Highway, Beecher, Illinois 60401. Phone 312-946-6433.

## Art Poster Contest Scheduled

The Third Annual Thrift Art Poster Contest sponsored by the savings and loan associations of Illinois will be held in October in conjunction with "Savings and Loan Month."

Open to elementary and high school students, the contest will offer nine cash awards totaling \$1,000 at the state finals. Sponsors of the event are members of the Illinois Savings and Loan League, representing more than 500 savings and loan associations in the state.

Theme of the 1970 Contest is "People Who Save, Live Better." The philosophy expressed in the theme is that people who regularly save a portion of their income can afford to live better in many ways: owning their own homes, getting a better education or developing reserves for special goals.

Posters should not exceed 22x28 inches in size, including a border. Art materials can be oil, watercolor, pen, pencil, crayon or any other medium. In addition to the poster contest, an "Other Media" classification is offered. These entries are not really posters but develop attention to the theme.

Any student from the 3rd grade through high school is eligible to enter. Grades will be divided into 3rd and 4th grades; 5th and 6th grades; 7th and 8th grades; and high school. All grades will be pooled for judging "Other Media."

Entries must be made upon an official contest blank and filled out completely. The entry blanks may be obtained at any member association of the Illinois Savings and Loan League. Deadline for entry is October 31. Entries must be submitted to the savings and loan association from which entry blanks were procured.

## Mass Schedule Changed At St. Peter's

St. Peter's Catholic Church has announced a change in its Mass schedule.

Beginning this week there will be only one Mass on Saturday evening at 5:30 p.m. There will be no 7:30 p.m. Mass.

Masses on Sunday will remain at 6:30 a.m., 8 a.m., 9:30 a.m., 10:45 a.m. and noon.

Confessional will be as usual at 4:30 p.m. to 5:15 p.m. and 7 p.m. to 7:30 p.m.

## Pollution Conviction Is Gained

Attorney General William J. Scott has announced that the first jail sentence for an act of pollution was given recently to an East St. Louis salvage and auto parts dealer.

Judge Carl Becker of St. Clair County Circuit Court ordered a six-month jail term for Clarence Hutchinson, operator of the 15th Street Auto Parts firm at 918 North 15th Street in East St. Louis, for willful violation of an earlier injunction against the open burning of junk vehicles by Hutchinson.

The jail term was later suspended when Hutchinson entered a plea of financial hardship.

Judge Becker warned, however, that any future violation would result in actual imprisonment. Specifically, Hutchinson had been enjoined on April 17, 1970, from discharging "into the atmosphere by open burning... particulate matter, dust, gas mist, smoke, or vapor in sufficient quantities, and of such character and duration as to be injurious to human, plant or animal life or property, and which unreasonably interfered with the enjoyment of life or property and caused or created a public nuisance."

Assistant Attorney General John Leskera told the court that on at least two occasions—May 19, 1970 and June 8, 1970—incinerators were fired up at night at the salvage yard, in direct defiance of the court's earlier restraining order.

Witnesses from the East St. Louis Fire Department and three field engineers for the new Environmental Protection Agency testified to the continued burning. Judge Becker thus found Hutchinson in contempt of court and issued the state's first jail sentence for an act of pollution.

## Increase Interest On Bonds

Residents of Illinois and American citizens everywhere who own or are buying United States Savings Bonds are in line for higher interest on their Bonds. The increase in the form of a 1/2 percent bonus, raises the effective interest rate on new savings Bonds from 5 percent to 5 1/2 percent when held to maturity.

Clarence S. Sochowski, North Central market director for U.S. Savings Bonds, noted that "The bonus applies not only to new issues sold on or after June 1, 1970, but also to older Bonds as well, so there is no advantage in redeeming outstanding Bonds to buy new ones."

"I think that U. S. Savings Bonds are one of the greatest self-help opportunities available to us in Illinois. Revenue from Savings Bonds helps the Federal Government finance highways,

D. Keehner, Chief of Scott's downstate Pollution Control division, said the jail sentence, though suspended due to financial hardships, "represents a clear warning to all air and water polluters that the courts are prepared to rigidly enforce the antipollution statutes of this state, and we view that action with considerable satisfaction."

recreational areas and protection of our environment," Sochowski said. "We can see the benefits all about us," he added. "And Bonds traditionally are treasured family assets because they help pay for children's education, new homes and cars, vacations and weddings. Bonds provide timely assistance in unexpected family crises."

He pointed out that the 10 million Americans who purchase Bonds regularly enjoy other direct benefits.

The interest paid on U. S. Savings Bonds is not subject to State or local income and personal property taxes. This new rate increase, coupled with their tax advantages, makes Savings Bonds especially useful," Sochowski said.

He urged Illinois residents to contact their employers or their banks to take advantage of the new Savings Bonds bonus by increasing their Payroll Savings or Bond-a-Month participation.

"Savings Bonds enable us to demonstrate, in a most positive manner, faith in our country while helping to provide for our own financial security," Sochowski added.

Says the Poseyville, Ind., News: "The Constitution guarantees us the right to pursue happiness. It doesn't say it will hold still so we can catch it."

## Judith Turner Weds Frederick Eidson

Frederick Marshall Eidson and Judith Lynne Turner exchanged wedding vows at 2:00 p.m. August 15, in the United Church of Christ, Broomfield, Colorado. The Rev. George Tate performed the ceremony.

The bride is the daughter of Mr. and Mrs. Oswald Wesley Turner of Antioch and the groom is the son of Mrs. Fern L. Eidson of Grand Junction, Colo., and Mr. Marshall B. Eidson of Sacramento, Calif.

The bride wore a gown fashioned of silk faced satin, styled with long full sleeves and a semi-full skirt accented at the empire waist with Venice lace with matching lace at the neckline and cuffs of sleeves. The detachable chapel train was edged in matching lace.

Her illusion veil was held by a Juliet satin profile embellished in pearls. She carried a bouquet of

white roses and stephanotis. Miss Susan Turner, her sister's maid of honor, wore a chartreuse chiffon gown, styled with an empire bodice, long lantern sleeves, accented by jeweled lace at neckline. Her blush veil was held by a camelot cap of color and fabric of her dress. She carried a colonial arrangement of yellow roses.

Kari Noel, niece of the groom, was the flower girl, wearing a jonquil yellow French voile. Erik Stark, the bride's cousin, was a charming ring bearer.

Elbert Lee Noel, brother-in-law of the groom, was best man. The ushers were Charles Wong and Patrick M. Flynn.

The Dick Mullen Singers, with Mr. Theodore Krieger and Miss Dorothy Ranson as organists, presented the wedding music.

A reception followed the ceremony in the Fireside Room of the church and afterward the bride and groom went on a honeymoon trip to California. They are at home in Denver, Colorado.

## Homemakers' Preparing For Show

A cornucopia overflowing with strawflowers and dried wheat, an herb wreath that is useful as well as decorative, a wall hanging of tiny strawflowers, moss, seeds and pods, are some of the items to be featured in a booth on "Favorite Fall Decorations" at the Lake County Homemakers' Extension Association Homemaking Arts Show to be held Wednesday, November 4, from 10:00 a.m. until 9:00 p.m. at the Farm Bureau Auditorium at the Fairgrounds on Rt. 45, Grayslake.

The booth is the Lake County Homemakers' Extension Association membership booth and throughout the day, homemakers will be demonstrating how to make topiary trees, hanging baskets, and table arrangements using a variety of dried natural materials. It will highlight the lessons given to units during the month of September.

The 22 units from all over Lake County will be demonstrating various home arts and crafts in their individual booths that are carrying out the theme "Crafty Creations." Diversity is the keynote of the Homemaking Arts Show in order that there will be something for everyone. Trim 'n Tris, Accent on Accessories and Pillow Talk are the topics that the Wildwood, Mundelein and Wauconda units will exhibit and demonstrate. The Green Bay Unit will have each guest "Try It Yourself" using yarn at their informative booth while the Village Affairnoon gals will invite onlookers to "Guess What." The Wadsworth unit will present "Americanism" at their educational booth and other booths will feature candles, centerpieces, Christmas items, food and many other crafts. Door prizes consisting of items from each booth will be given and lunch will be served.

### American Legion Auxiliary News

By Del Jahneke  
"Help Shape Our Schools for the Seventies" is the slogan of the American Legion Auxiliary's Loan and Educational Scholarship Program. "The 50th Observance of National Education Week in America is from October 25th to 31st" points out Miss Jacqueline Watters, Grayslake, 10th District Auxiliary Loan, Education—and Scholarship Chairman. "And it is sponsored by the National American Legion, the National Education Association, the National Congress of Parents and Teachers and the United States Office of Education." The purpose of National Education Week is to increase public understanding and appreciation of schools, and to secure civic and community support for measures to improve them.

Miss Watters reminds the 22 units of the 10th District Auxiliary that they should be sending in their contributions to the Illinois American Legion Auxiliary Loan, Education and Scholarship Fund. She stresses the fact that there are two sections to this program. There is the Auxiliary Loan Fund, where eligible high school graduates may obtain loans to further their education. Also, in the other section, there are many scholarships available through the Auxiliary's Education Scholarship program. A unit cannot sponsor an eligible high school graduate for either a loan or a scholarship unless they have made donations to both these funds.

There are three types of scholarships available to daughters of deceased veterans. Ten National President's Scholarships of \$1,500 each (two given to each of the five national divisions) and ten Illinois Opportunity Scholarships of \$600 and \$350 each. Scholarships are given on the basis of financial need, scholastic ability, and good character qualifications.

Scholarships of \$200 each are given to daughters of living veterans of World War I and II, the Korean and Vietnam Conflicts. At the 1970 State Convention, ten such scholarships were given.

Scholarships can be obtained for veterans of World War II, the Korean Conflict and the Vietnam War, who are graduates of accredited high schools and are in financial need of assistance to further their education. The maximum amount is given according to funds available for this purpose. An award of \$500 went to a veteran in this category last year.

Nearly all units purchase copies of "Need a Lift?" a brochure that was compiled by the National American Legion, with the aid of over 200 national organizations, institutes and schools.

This booklet is revised annually and released when school starts in the fall. Mrs. Lillian Hand, Antioch Unit Auxiliary Loan Chairman, states that for the last five years, the Antioch Unit has put copies of "Need a Lift?" in the Antioch Community High School library and in the Antioch Public Library.

Worthy students wishing more information regarding this program, should contact either Miss J. Watters or Antioch Unit Chairman, Mrs. L. Hand.

The first board meeting of the new 10th District American Legion Auxiliary year will take place on Thursday, Oct. 29, at the Lake Forest American Legion Home, at 8 p.m., with Mrs. Robert Broege of Deerfield, District President, conducting the meeting. All Unit presidents are invited to this first board meeting. Mrs. John W. Horan is the Antioch Unit President.

A reminder to all members of the Antioch American Legion and the Auxiliary No. 748 that their joint installation of officers will be held tonight (Thursday, Oct. 15) at 8 p.m. at the Antioch American Legion Home. The public is invited to this annual event.

## Twins Club Set Costume Party Oct. 15

A costume party is being planned for the Lake County Mothers of Twins Club at 8 p.m. on Thursday, Oct. 15 at the YWCA, 445 N. Genesee St., Waukegan.

Plans are being made to attend the Eighth Annual Convention of the Illinois Organization of Mothers of Twins Clubs. The convention will be held at the Arlington Park Towers, Arlington Heights on Oct. 16th and 17th.

Among those attending from this club are Maureen O'Byrne, state Historian-Publicity chairman, delegates to convention, Mrs. John Ward, Mrs. Kenneth Mattson and Mrs. Floyd Vlasak.

This year's convention will be addressed by several outstanding speakers dealing with problems and answers on child-rearing and peculiar circumstances surrounding the wise rearing of twins. The highlight of the convention will be the evening of the 17th when the final banquet will be held followed by the candlelight installation ceremony and other entertainment.

Many are not aware that there are groups such as the Mothers of Twins Club in Illinois. There are 25 member clubs with a total of 591 members. The purpose of the organization is that mothers of twins may join together socially and educationally to exchange information pertaining to the rearing, development, and individuality of twins.

## Brownie Troop Makes Candy For Vietnam

On Oct. 10, the Antioch Brownie Troop No. 180 made rice krispie candies to send to our boys in Vietnam.

The troop also announced that the Brownie Investiture will be held at 3 p.m. on Oct. 31 at the home of Mr. and Mrs. John Kramer, 345 Depot St., Antioch.

## Where The Boys Are

Tremonte

Cadet Michael F. Tremonte, son of Mr. and Mrs. Peter A. Tremonte, Rt. 1, Salem, Wis., is one of more than 1116 cadets who have entered their sophomore year at the U.S. Air Force Academy.

As he began his second year at the academy, Cadet Tremonte was named to the Commandant's List for his outstanding military performance. He wears a silver wreath insignia recognizing the honor accorded him by the academy commandant of cadets.

The cadet will serve during the fall term as a squadron element sergeant with the rank of cadet staff sergeant. He was selected for the position because of his leadership and effectiveness ratings.

During the past summer, Cadet Tremonte and other members of the class of '73 completed an intensive six-week training program at the academy and armed forces installations across the country.

The cadets were trained in survival techniques and base defense tactics in the rugged Rampart Range area near the academy. They also completed a combat course in infantry weapons at nearby Ft. Carson, Colo.

Cadet Tremonte will be commissioned a second lieutenant and awarded a B.S. degree upon his graduation from the academy.

The cadet is a 1968 graduate of Salem Central High School, Pad. Dock Lake, Wis., where he lettered in basketball and served as captain of the cross country

team. He attended Carthage College before entering the academy.

## CHRISTIAN SCIENCE CHURCHES

Lasting peace and brotherhood can be achieved, according to the Christian Science Lesson-Sermon entitled "Doctrine of Atonement," to be read Sunday.

Scriptural selections include the challenging words of Christ Jesus, "Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you."

One of the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states:

"It should be thoroughly understood that all men have one Mind, one God and Father, one Life, Truth, and Love. Mankind will become perfect in proportion as this fact becomes apparent, war will cease and the true brotherhood of man will be established."

All are welcome to attend services held at 11 A.M. in First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Illinois.

Whether you're driving or walking, the Chicago Motor Club AAA cautions that railroad crossings can prove extremely dangerous. Always approach and cross them with extra care.

## Co-Op Clubs Meetings Set

The CO-OP Arts and Crafts Club will hold its regular monthly meeting in Pioneer Hall, 2424 Washington Street, Waukegan (in the basement of the CO-OP Food Center) on Wednesday, Oct. 21, at 7:00 p.m.

Project for the evening will be the making of Miniature Flower Pictures directed by Betty Rosenbaum. Each one should bring sharp scissors, dried flowers or small weeds, picture frame, velvet ribbon to fit frame or velvet for background, tweezers, small ribbon to make bow and newspapers.

Simultaneously, Pearl Perry will give instruction to those who wish to learn to make Thermal Sculptured Candles. If you are interested in this, bring a hot plate, candy thermometer, pot with a spout to heat wax in, 18" poke (cut from a coat hanger), hot pad, two pie tins (disposable aluminum), hammer, ruler, fine wire & wire snips, wooden stirring spoon and newspapers (to cover tables before starting to work).

The candlemakers will meet again on Oct. 28 to complete the candles. Bring all the aforementioned, plus artificial flowers or fruit.

Each lady present will do one project or the other. Choose in advance which you wish to do and bring the proper equipment. The public is welcome.

The CO-OP Travel Club will hold its regular monthly meeting in Pioneer Hall, 2424 Washington Street, Waukegan (in the basement of the CO-OP Food Center) on Tuesday, Oct. 27 at 7:30 p.m.

The twenty-four club members who just returned from their Alaskan Adventure will present a program of colored slides and movies taken on their trip and will display souvenirs purchased. Mrs. Fred Kantola, president, invites the public to attend. Members and guests may sign up at that time for the two trips planned. Oct. 31 will be Pheasant Run for theater and dinner, and on Nov. 21 comes the Holiday Folk Fair in Milwaukee.

Members and guests of the CO-OP Travel Club will spend a pleasant evening of Theater and Dinner at Pheasant Run on Saturday, Oct. 31. Janis Paige will star in "Lovers and Other Strangers", and you can choose from fish, steak, pork chops or chicken for dinner.

The bus will depart at 2:30 p.m. from the CO-OP parking lot which will allow time for browsing the smart shops on Bourbon Street before dinner at five, followed by the play at six. The cost is \$12.00 per person which covers bus transportation, the play, dinner and tips. For reservations call Fred Kantola at 662-4633 after 4:00 p.m.

The CO-OP Needlecraft Club will hold its regular meeting in Pioneer Hall, 2424 Washington Street, Waukegan, (in the basement of the CO-OP Food Center) on Monday, Oct. 26, at 7:00 p.m.

Project for the evening will be the making of a Tie Tac Toe Pillow. Each one should bring three pre-cut squares of felt in three different colors which are at least 9" square. Also needle & thread and scissors. Mrs. Anna Latz will direct the project. Mrs. Eugenia Ashmus, president, invites the public.

Prompt medical treatment—including attention to rehabilitation—can lessen the amount of damage caused by a stroke, according to the Heart Association of Lake County.

By Mrs. Bernice Bernau 356-5649

**KILLED**  
Lindenhurst residents were shocked and saddened to learn that Don Blickensderfer, a State Trooper, was killed in a head-on crash Sept. 22 while on duty in Mt. Zion, Ill., where he lived. He was just 38 years old. He and his wife, Beverly, and their two daughters, Gayle and Linda, lived at 603 S. Deerpath Drive, until about three years ago, when they moved to Mt. Zion.

**MARRIED**  
Miss Susan K. Terdin, daughter of Mr. and Mrs. Anthony Terdin, 2215 E. Witchwood Lane, Lindenhurst, became the bride of Donald R. Effinger, son of Mr. and Mrs. John Effinger, 366 Harden, Antioch, on Sept. 26 at Trinity United Methodist Church on Brook and Valley Drive in Lindenhurst. Miss Mary Sarbacher was bridesmaid and Tom Effinger, brother of the groom, was best man. A reception for approximately 100 persons was held at the rear of the church, after the 4 o'clock ceremony.

The young couple, both graduates of Antioch High School, are

## Cermaks Attend Confab

Mr. and Mrs. Charles J. Cermak, realtor from Antioch, attended the Illinois Association of Real Estate Boards annual state convention Oct. 7 and 8 at the Pere Marquette Hotel, Peoria.

Some of the intriguing sessions included "your future, what the law can do to it," "Opportunity in multi-family housing," "Making money through testing," and "The 70's, decade of change and challenges."

A special river boat party and dinner was held on the Illinois River to the entertainment of a Dixieland band.

# Sequoits Leading Conference

By the 12th Man

All eyes were on our Sequoia team last Saturday as we played the Wauconda Bulldogs for their Homecoming.

This week instead of coming from behind to win as we did the two previous weeks, we trounced the weak hitting Bulldogs 24-0.

The game turned out to be a real test for our team. Because of the teachers' strike, Mr. Nelson, Mr. Bartosz and Mr. DeRousse were unable to be with us.

Mr. Blecke, Dean of Boys at our high school, took their place.

We scored in each quarter with Chip Gross going over from the one yard line after he passed 32 yards to Jim Revel. Eric Claeson scored from the 20, when he found a gaping hole in the Wauconda line in the second quarter.

In the third quarter Jim Bitter picked up a fumble on Antioch's 25 yard line and carried the ball 75 yards for the touchdown.

The third period also saw Brad Smith miss his chance at line-man of the week as he narrowly missed an interception and possible touchdown. Brad did break

up the pass, however, and finished the day with five tackles.

The final tally was added in the fourth quarter when Gross hit junior running back Doug Camp on a 16 yard pass.

Before the game and after the game many comments were made about why we had to win this game. The fact is that we had to win this game just as we have to win all the games to stay on top.

## Emmons Wins Two Victories

The Emmons Grade School football team played two games last week and won both of them. One was a conference game against Spring Grove Grade School, and the other was a non-conference game against Gavin South Grade School.

On Monday, Oct. 5, the Emmons Raiders played Spring Grove on Emmons field. The Raiders won 19-0.

The entire score was made in the first half of the game. Dennis Thain ran for a touchdown, but the extra point was missed. Later Bob Dodd scored a touchdown, and the extra point was made by a pass from Jeff Schmidt to Bob Bach. Toward the end of the first half Dennis Thain again scored six points for Emmons, but again the Spring Grove defense stopped the extra point.

Emmons intercepted Spring Grove's ball two times during the game; with Dave Edwards intercepting one pass and Bob Dodd another.

The Raiders' defense team did an excellent job with Bill Petty, Dave Edwards, John Kakacek, Jr., and Ron Johnson halting many drives.

The game ended with Emmons winning 19-0.

On Friday, Oct. 9, the Raiders played a non-conference game against Gavin South on the Emmons field. The Raiders won by a score of 24-0.

Both teams played a good de-

The team thanks the people who made it possible to play last Saturday and those who gave us encouragement.

Mr. Art Blecke for his fine coaching, the Antioch Community High School Board of Education, the Administration, the students who stayed in school and our parents for their support. We also thank our coaches for all they did and the many, many who sent us telegrams wishing us luck.

fensive game in the first half, leaving the score 0-0 at the end of the half.

Coach John Kakacek's Emmons' team came to life in the second half and scored four touchdowns. Bob Dodd scored the first six points when he ran across the goal line. A few minutes later Bob Bach caught a pass from Bob Dodd to score for the Raiders. Later Jeff Schmidt threw 2 passes to Billy Petty for two touchdowns. No extra points were scored after any of the touchdowns. The second half ended with Emmons Grade School the victor 24-0.

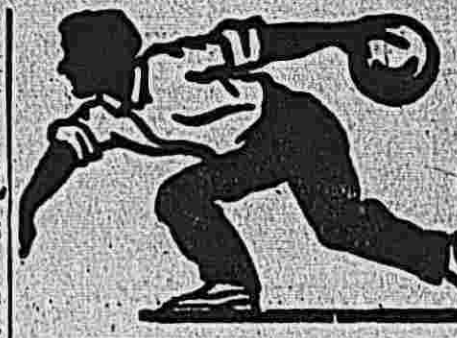

The Emmons defense did another fine job. Dennis Thain, Ron Sheedlo, and John Bodin helped stop many Gavin drives. The Raiders have only one game left to play. It will be a conference game against Newport Grade School.

THE ANTIOCH NEWS-6

## Committeemen Will Dine With McClory

Congressman and Mrs. Robert McClory, Senator and Mrs. Robert Coulson, Senator and Mrs. Karl Berning, are entertaining Republican Precinct Committeemen, County Office holders, and Republican candidates at a dinner meeting, Tuesday, Oct. 20, at the Mundelein High School.

General Chairman of the event is Peter J. Nordigian of Waukegan, former Chairman of the Waukegan Young Republicans. Mr. Nordigian has announced that Master of Ceremonies and Key-note at this popular affair will be William Rentschler of Lake Forest, who was Illinois chairman of the Nixon Presidential Campaign in 1968. Mr. Nordigian is being assisted by Mrs. Doris McClory, the Congressman's Campaign Manager; Mrs. Raymond Craig of Deerfield, Mr. McClory's Lake County Coordinator; Mrs. Richard Reed of Deerfield, Lake County Chairman; and Mrs. Hazel Badger, Mrs. Eulalia O. Corbin, and Miss Julia Leason of Congressman McClory's staff.

In addition to a roast beef dinner, the Committeemen and their wives will be treated to musical fare highlighting Paul Delaposta and his combo.

According to Congressman McClory, this gathering will enable him and his popular wife, Doris, as well as the Senatorial incumbents and their wives, to visit first hand with the grass root Republican organization of Lake County.

Congressman McClory added: "We have included the wives to be sure that the husbands will attend—and because in many instances the wives are indeed the main political force in a successful campaign."

Ray Marro proudly displays a fine five pound small-mouth bass he took while he and his wife, Lynn, were the weekend guests of her parents, Bert and Ernie Ott, of Fellers Subdivision, Antioch, at their summer home in Clearwater Lake, Wis. Equally proud of their uncle's catch are his nieces, Carolyn and Suzi Laude.
